

IMAP 2026, 13th International Meeting on Antimicrobial Peptides
University of Split, Croatia, September 2 -4, 2026

Abstract template

Email your completed abstract to: shoare@peptideconferences.org

Abstracts may be submitted as Word documents or PDF.

Please indicate if you would like your abstract to be considered for:

Oral presentation only

Poster presentation only

Either oral or poster presentation

Abstract title: please use sentence case (upper and lower) **not** ALL CAPITALS.

Authors: please indicate author affiliations with superscript numbers and underline the presenting author.

Affiliation: please include department name, institute name, city and country. Do not include the full street address. The email address of the presenting / corresponding author may be listed.

Abstract text: Please limit your abstract to 250 words (longer abstracts may be accepted at the discretion of the Organising Committee). If graphics are included in the Word file or PDF please also supply the original graphics file(s) as JPG or TIFF. Please indicate references by numbers in square brackets [1].

Abbreviations may be used provided the term is given in full when first used. Species names should be in italics and given in full; subsequent occurrences can abbreviate the genus as in the following example: *Streptococcus suis* infections can lead to suppurative meningitis in pigs and humans. We investigated the action of *S. suis* in the cerebrospinal fluid (CSF) compartment.

Literature references should be listed at the end of the abstract. Please do not include the titles of references. Any citation format may be used, but please indicate the reference numbers in square brackets as follows:

[1] Reference 1; [2] Reference 2, etc.
