

Sustainable Polymers in Liquid Formulations Summit 2026

22 October 2026 | London, UK

Sponsorship menu

The second Sustainable Polymers in Liquid (PLFs) Summit is a key forum for the PLFs community to explore the latest strategic, scientific and policy developments shaping a more sustainable future. This year marks a major milestone with the launch of the Sustainable PLFs transition strategy, setting out the industry-wide shift toward non-fossil, sustainable PLF solutions.

Bringing together industry leaders, SMEs, academics and policymakers across household and personal care, coatings and inks, adhesives and sealants, the Summit offers a valuable opportunity to connect, exchange perspectives and spark new collaborations.

Approx. delegate numbers: 100-120
