

18th International conference on materials chemistry (MC18)

12-15 July 2027 | Cardiff, UK

Sponsorship menu

MC18 is the Royal Society of Chemistry's flagship conference for the materials chemistry community. Held every two years, the event brings together an international audience of researchers working across the breadth of materials science, from energy and sustainability to emerging technologies and biomaterials. The conference provides opportunities for organisations to engage with delegates, support the scientific programme and contribute to discussions shaping the future of materials chemistry.

Approximate delegate number: 550
