

 Research Assistant Professor

Bio Nano Systems, Organic Chemistry,

# Dr. Sivaramapanicker Sreejith

Dr. Sivaramapanicker Sreejith obtained his PhD in Chemistry from the CSIR-National Institute for Interdisciplinary Science and Technology (CSIR-NIIST), INDIA in 2010. Subsequently, he became an Alexander von Humboldt Fellow (2010–2011) at Humboldt University, Germany. He then moved to Nanyang Technological University, Singapore (2011–2017). Later in 2017, he moved to National University of Singapore (NUS), Singapore (2017–2019) as a Senior Research Fellow at the Institute for Health Innovation and Technology-NUS, Singapore. In 2021 he joined as a visiting faculty at the School of Energy Materials, Mahatma Gandhi University, Kerala, India. He then moved to Department of Polymer Science and Rubber Technology, Cochin University of Science and Technology as a visiting scientist. His research interest includes the study of
