Konu: 28th IUPAC International Conference on Chemistry Education & 17th EuChemS European Conference of Research in Chemical Education - New submission from EuChemS Recognition of Events

Dear Mr. Sozbilir,

Thank you for applying for EuChemS recognition of event. Your application for '28th IUPAC International Conference on Chemistry Education & 17th EuChemS European Conference of Research in Chemical Education' was reviewed and we are pleased to inform you that your event is now recognised by EuChemS.

Please find [here](#) the EuChemS logo. We encourage you to use it on the conference website and all other conference related promotion. For details, see the [application page](#). Additionally, please feel free to print out the EuChemS roll-up and place it in a visible place at your EuChemS recognised conference. You can find the design in [PNG](#) or [PDF](#).

Your event has now been added to the EuChemS calendar, Facebook events and LinkedIn. Find the links below:

1. Website: <https://www.euchems.eu/?p=32068>
2. Facebook: <https://fb.me/e/3hDf4ooh9>
3. LinkedIn: <https://www.linkedin.com/events/iccecrice20267359488917399580673/>

Please do not hesitate to send us online promotional materials or any other information that may be useful for promoting the event, such as reminders concerning important deadlines (submission of panel proposals and abstracts, etc.). By doing so we can further promote the event on our social media channels.

Additionally, should you wish to request some of the EuChemS promotional material for your event, please contact us at

events@euchems.eu

latest four months before your event takes place.

In case you are interested in further increasing the visibility of your event, please feel free to consider additional options:

- For external events, it is possible to publish them in the *Nachrichten aus der Chemie* conference calendar - you can contact them at nachrichten@gdch.de
- You can submit your event through the Royal Society of Chemistry at <http://www.rsc.org/events/submitevent/>. After registering please send an email to Ms Rebecca Quine <quiner@rsc.org> mentioning title, date of event, and that your event is a EuChemS recognised event.

We wish you a successful event.

Kind Regards,

Chiara Capodacqua

Science Communication Specialist and Policy Officer

European Chemical Society (EuChemS)
