Start now

Step two: pick your route

Article Licensing

Publishing options

Select one of the options below.

[Learn more about gold open access.](#)

☒ **Gold open access**

£2750.00 **£2337.50** (taxes may apply)

✓ **15% institute discount applied**

- ✓ Publishing open access can broaden your readership and boost citations
- ✓ Fast and easy international payment options
- ✓ You retain your copyright
- ✓ Choice of licence that allows you to maintain control

☐ **Subscription**

- Only researchers with a subscription can read your article
- Accepted manuscript deposition only allowed after one year embargo
- Restricted sharing and reuse rights

- ☒ Please tick this box to confirm that you have understood and accept these [Open Access Terms and Conditions](#) and that upon acceptance of your article for publication you have a legal obligation to pay the article processing charge (APC) in full (less any eligible discount or waiver).

Continue to licence

You will only see this if you are choosing to submit to a hybrid journal. If you are publishing in an open access journal, please move to the next page.

Select gold open access and press continue

Step three: select your licence

Article Licensing

Check the full terms
of each licence

Once you are happy,
select your preferred
option

Select your licence

Licence information is available on the [Creative Commons website](#).

Licence

Select the appropriate licence according to your funding body and research institute requirements.

☒ CC BY

Creative Commons Attribution

Under this licence other users are free to:

- copy and redistribute the material
- reuse, adapt, and build upon the material **for any purpose, even commercially**
- The user must give appropriate credit to the original copyright owner

☐ CC BY-NC

Creative Commons Attribution Non-Commercial

Under this licence other users are free to:

- copy and redistribute the material
- reuse, adapt, and build upon the material **but not commercially**
- The user must give appropriate credit to the original copyright owner

THE ROYAL SOCIETY OF CHEMISTRY CC BY Licence to Publish Agreement

This licence to publish agreement (hereinafter the **Agreement**) sets out the rights granted to the Royal Society of Chemistry (**RSC**) a company incorporated in England by Royal Charter (Registered No. RC000524) and a Registered Charity No. 207890 whose registered office is located at Burlington House, Piccadilly London W1J 0BA, United Kingdom by the Copyright Owner(s) to allow the RSC to publish the Article and Supplementary Material, as defined below. It also sets out the rights and warranties of the Copyright Owner(s). Publication is subject to the terms and conditions set out below.

1.1 By signing this Agreement, the Copyright Owner(s) will be deemed to have read and accepted the terms and conditions of the Agreement, confirm that all the authors are aware of the content of the Article at the time of submission, agree to grant the licence as detailed herein and confirm that they have the right to grant such licence.

Licensed rights granted to the RSC:

If you are not authorised to sign the licence or if you are not sure, please contact the [Customer Services team](#).

☒ I agree to the terms and conditions of the CC BY licence and confirm that I am authorised to sign it as, or on behalf of, the copyright holder.

Continue

Accept the terms and
conditions and press
continue

Step four:
sign your licence

Sign your licence

Please check the details you have entered and ensure they are correct.

Payment information

Payment instructions and **waiver** application (subject to eligibility) are available on the next screen.

You will receive a payment instructions email if you are unable to pay now.

Double-check that
your information is
correct

Article details

Article title	A test article
Journal	Hybrid journal
Manuscript ID	AA00000A
