CONFERENCE OBJECTIVES

- To promote collaboration, innovation, and knowledge dissemination among eminent scientists, academicians, researchers, start-ups, and industry practitioners from across the globe.
- To provide an international platform for presenting pioneering research on high-performance materials, optimized device architectures, and innovative material systems.
- To foster interdisciplinary dialogue for addressing grand challenges in energy, environment, electronics, healthcare and emerging technologies.

CONFERENCE TRACKS

- Advanced Functional Materials & Nanotechnology
- Energy Materials & Sustainable Technologies
- Materials for Computing, AI & Quantum Technologies
- Advanced Devices, Electronics & Intelligent Systems
- Biomedical, Healthcare & Bioinspired Materials
- Advanced Manufacturing & Fabrication Technologies
- Theoretical, Computational & Applied Physics
- Aerospace, Defense & Strategic Materials

CALL FOR PAPERS

Submit original abstract and full papers for oral/poster presentation at IC-AMDFA-2026 under Conference submission guidelines. Three Best Oral Presentations Awards and three Best Poster Presentation awards will be presented. Selected high quality paper after peer review will be published in SCIE/Scopus journals with good impact factor.

IMPORTANT DATES

- Last Date for Abstract Submission : **10th October, 2026 (Extended)**
- Notification of Abstract Acceptance : **15th October, 2026 (Extended)**
- Early Bird Registration Deadline : **15th October, 2026 (Extended)**

REGISTRATION FEES

Category	Early Bird Registration Up to 15 October, 2026 (Extended)	Late Registration 16 to 25 October, 2026
Research Scholar / Faculty (CU)	INR 1000	INR 1500
Research Scholar (other)	INR 2000	INR 2500
Faculty / Scientists / Industry	INR 3500	INR 4000
Foreign Delegates	USD 200	USD 250
Accompanying person	INR 2000	INR 3000
