

CHEMCON-2026: Registration, Fee Payment and Abstract Submission Guide

A field-by-field walk-through of the three actions on the official conference page (<https://scpu.edu.pk/chemcon-26/index.html>): paying the fee by bank transfer, completing online registration, and submitting an abstract.

Conference dates	28–30 October 2026
Venue	University of the Punjab, Lahore
Early bird & abstract deadline	15 September 2026
Queries	cspconference2026@gmail.com

Early-Bird Deadline. Both the early-bird fee and the abstract submission window close on 15 September 2026. Pay and register first: the abstract form re-uses the same payment receipt, so it cannot be completed without it.

A. Pay the registration fee by bank transfer

Payment must be made directly into the conference account before either online form is filled in — both forms ask for the transaction details and a copy of the receipt.

Step 1. Work out your fee tier

Identify your category below. Rates increase after the early-bird cut-off of 15 September 2026.

Participant	Early bird (till 15 Sep 2026)	Late
Faculty (non-CSP member)	PKR 8,000	PKR 11,000
Faculty (CSP member)	PKR 6,000	PKR 9,000
Students	PKR 3,000	PKR 5,000
Industry	PKR 12,000	PKR 16,000
Foreigner	USD 250	USD 300

Includes tea/coffee, two lunches and one dinner on conference days. Accommodation is not included; the registration form has a separate accommodation query for anyone who needs on-campus or nearby housing.

Step 2. Transfer the fee to the conference account

Use online banking, a banking app, or a branch counter to send the exact amount for your tier to the account below.

Bank	United Bank Limited (UBL)
Account title	24th International and 36th National CHE
IBAN	PK07 UNIL 0109 0003 8767 1833

*Foreign delegates paying by international transfer should use the **UNILPKKAXXX** as SWIFT/BIC code.*

Step 3. Keep the receipt, and two details from it

The registration form works out the amount due itself from your category and CSP-membership status, so you do not report the figure; but it does ask you to type in:

- The date and time the payment was made
- The sender account information or transaction ID

Save a screenshot or PDF of the transaction receipt. The same file is uploaded twice: once with registration, and again with the abstract if presenting.

B. Complete online registration

On the registration page, open “Registration Options” and select the Registration tab (beside Abstract Submission). Complete the fields below in order — once you choose your category and CSP-membership status, the form works out the amount due itself. Tick the confirmation box, use Review Registration to check every entry, then press Submit Registration.

Field on the Registration form	Notes
Complete name *	
Date of birth *	
Gender *	Male / Female / Other / Prefer not to say
CNIC or passport number *	
Email *	
Affiliated institute/organisation *	
Designation / current position *	
CSP member? (Yes/No) *	

Field on the Registration form	Notes
CSP membership number/ID	Required only if CSP member = Yes
PUSC alumni? (Yes/No) *	
Upload supporting document	CSP membership card or PUSC degree/transcript
Registration category *	Faculty / Student / Industry Professional / Foreigner
Amount paid	Calculated automatically from your category and CSP-membership selections — you do not type a figure in; just check it matches your transfer
Date and time of payment *	
Sender account information / transaction ID *	
Accommodation required? (Yes/No) *	Not included in the fee. Discounted on-campus/hotel rooms for two nights (28–30 Oct 2026) are available on request — contact Prof. Dr. Atif Islam, 0300-6686506
Upload payment proof *	

Fee questions: Prof. Dr. Ejaz Ahmed, 0331-4205182. Accommodation queries: Prof. Dr. Atif Islam, 0300-6686506. Technical problems with the form itself: csconference2026@gmail.com.

The confirmation checkbox states: “I confirm that all information provided is accurate. I have read and agree to the registration, payment, and cancellation policies. I understand that my registration is confirmed only after payment verification.” Submitting the form is therefore not itself confirmation; wait for the organisers to verify your payment.

C. Submit your abstract

Switch to the Abstract Submission tab. The form states plainly that the registration receipt is compulsory here too, and that the abstract must not exceed 300 words.

Step 1. Enter the title and every author

Type the abstract title, then add authors one at a time using “+ Add Author” — one full name per box.

Step 2. Add affiliations and map them to authors

List each institution with “+ Add Affiliation” (one per box), then use the mapping section to assign the correct affiliation(s) to each author.

Step 3. Give the corresponding author’s details

Add the corresponding author’s email with “+ Add Email”, then choose the corresponding author from the drop-down built from the names entered.

Step 4. Paste the abstract text

Write or paste the abstract into the text box. A live counter tracks the 300-word ceiling; the form will not accept more.

Step 5. Choose the presentation type

Tick Oral Presentation, Poster Presentation, or both, as appropriate.

Step 6. Upload the payment receipt and submit

Attach the same receipt file used for registration in Section A/B, then press Submit Abstract.

Choosing a track: the event-details page groups talks under four themes: Analytical and Biochemistry; Inorganic and Material Chemistry; Organic and Pharmaceutical Chemistry; Physical and Applied Chemistry. The submission form itself has no separate track field; use these only to judge fit and audience while writing the abstract.

Who to contact

Role	Name / contact	Phone
Organising Secretary	Dr. Zahoor Hussain Farooqi	0333-4671067
Co-Organising Secretary	Prof. Dr. Adnan Mujahid	0300-4460796
Registration & fee queries	Prof. Dr. Ejaz Ahmed	0331-4205182
Accommodation queries	Prof. Dr. Atif Islam	0300-6686506
General & technical queries	cspconference2026@gmail.com	042-99231269
