

Smog, Stories and Solutions: 70 Years since the UK Clean Air Act

The Royal Society of Chemistry, London W1J 0BA
Wednesday 11 November 2026
13:00 - 17:00

Register Now

Join this public event celebrating the 70th anniversary of the UK Clean Air Act, featuring historians, scientists, and policymakers discussing the progress made in tackling air pollution, its health and societal impacts, current global air quality challenges, and future priorities.

The event will be opened by Baroness Jenny Jones, who is leading the Clean Air (Human Rights) Bill through Parliament.
